

# AVIVA PROFESSIONAL LTD

## MSDS Transfer gel

MSDS#1907148

### Section 1. Identification Aviva Professionals Ltd

Product name : Transfer gel  
avivabeauty@live.co.uk

Contact Information:01582 858551

Product model:N/A

Product use: nail art

Address: 93B Marsh Road Luton Bedfordshire LU2 7UG

### Section 2.Composition/Information on ingredients

| Chemical Components                             | CAS NO.    | Concentration WT% |
|---|------------|-------------------|
| 2-Hydroxyethyl methacrylate                     | 868-77-9   | 19.22             |
| Diphenyl(2,4,6-trimethylbenzoyl)phosphine oxide | 75980-60-8 | 5.15              |
| Acrylates Copolymer                             | 25133-97-5 | 75.63             |

### Section 3 Hazards Identification

#### Emergency Overview

**Physical state:** liquid

**Health:**1\*

**Color:** clear

**Flammability:**2

**Odor:** light

**Physical hazard:**1

**Personal Protection:** See section 8

**Warning:** Harmful if swallowed, absorbed through skin or inhaled.

Do not spray. Do not Heat.

May cause allergic skin reaction.

Causes eye, skin and respiratory tract irritation

Relevant routes of exposure: Skin, Inhalation, eyes

#### Potential health effects

**Skin contact:** Contact skin will cause irritation.

**Eye contact:** Contact with eyes will cause irritation.

**Inhalation:** Remove to fresh air. If symptoms develop and persist, get medical attention.

**Skin contact:** Immediately flush skin with plenty of water (using soap, if available). Remove contaminated clothing and shoes. Wash clothing before reuse. Get immediate medical attention if symptoms occur.

**Eye contact:** Immediately flush eyes with plenty of water for at least 15 minutes. Get immediate medical attention.

**Ingestion:** Do not induce vomiting. Keep individual calm. Get medical attention

---

immediately.

## Section 5. Fire-fighting measures

**Flash point :** N.A

**Autoignition temperature:** N.A

**Flammable/Explosive limits-lower:** N.A

**Flammable/Explosive limits-upper:** N.A

**Extinguishing media:** Foam, dry chemical ,carbon dioxide or dust

**Special fire-fighting procedures:** Wear self-contained breathing apparatus and full protective clothing, such as turn-out gear

**Unusual fire or explosion hazards:** Uncontrolled polymerization may occur at high temperatures resulting in explosions or rupture of storage containers

**Hazardous combustion products:** Oxides of carbon. Irritating organic vapors. Toxic fumes.

## Section 6. Accidental release measures

**Environmental precautions:** Remove sources of ignition. Prevent product from entering drains or open waters.

**Clean-up methods:** Refer to section 8 “Exposure controls/personal protection” prior to clean up. Soak up with inert absorbent. Store in a partly filled, closed container until disposal.

## Section 7. Handling and storage

**Handling:** Prevent contact with eyes, skin, and clothing. Do not breathe vapor and mist. Wash thoroughly after handling. Do not heat and spray. Use only with adequate ventilation. Refer to section 8. Use only in area provided with appropriate exhaust ventilation.

**Storage:** For safe storage, store at or below 26°C (80°F) .Keep in a cool, well ventilated area away from heat, sparks and open flame. Keep container tightly closed until ready for use.

**Incompatible products:** Refer to section 10

## Section 8. Exposure controls/personal protection

**Engineering controls:** Local exhaust ventilation is recommended when general ventilation is not Sufficient to control airborne contamination below occupational exposure limits.

**Respiratory protection:** Use COSHA approved respirator if there is potential to exceed exposure limit(s). If this material is handled at elevated temperatures or under mist forming conditions, without engineering controls, a COSHA approved

respirator must be used.

**Skin protection:** Use impermeable gloves and protective clothing as necessary to prevent skin contact. Neoprene gloves

**Eye/face protection:** Safety goggles or safety glasses with side shields. In a splash hazard environment, chemical goggles should be used in combination with a full face shield.

## Section 9. Physical and chemical properties

|                                       |   |
|---------------------------------------|---|
| <b>Physical state:</b> Liquid         | <b>Color:</b> N/A                                   |
| <b>Odor:</b> light                    | <b>Vapor pressure:</b> -                            |
| <b>pH:</b> 7.0-7.2                    | <b>Boiling point/range:</b> -                       |
| <b>Melting point/range:</b> -         | <b>Specific gravity:</b> 1.15                       |
| <b>density:-</b>                      | <b>Evaporation rate:</b> N.A                        |
| <b>Solubility in water:</b> Insoluble | <b>Partition coefficient (n-octanol/water):</b> N.A |
| <b>VOC content:</b> N.A               |   |

## Section 10. Stability and reactivity

|  |
|--|
| <b>Stability:</b> Stable under normal conditions of storage and use  |
| <b>Hazardous polymerization:</b> N.A   |
| <b>Hazardous decomposition products:</b> Oxides of carbon. Irritating organic vapors.                        |
| <b>Incompatibility:</b> Strong acids. Strong oxidizing agents. Bases.  |
| <b>Conditions to avoid:</b> Heat, flames, sparks and other sources of ignition. Do not heat above 26°C(80°F) |

## Section 11. Toxicological information

### Carcinogen status

| No wipe painting gel                            | NTP Carcinogen | IARC carcinogen | COSHA carcinogen |
|---|----------------|-----------------|------------------|
| 2-Hydroxyethyl methacrylate                     | NO             | NO              | NO               |
| Diphenyl(2,4,6-trimethylbenzoyl)phosphine oxide | NO             | NO              | NO               |
| Acrylates Copolymer                             | NO             | NO              | NO               |

### Literature Referenced Target Organs & Other Health Effects

| Hazardous components                            | Health Effects/ Target Organs |
|---|-------------------------------|
| 2-Hydroxyethyl methacrylate                     | No Records                    |
| Diphenyl(2,4,6-trimethylbenzoyl)phosphine oxide | No Records                    |
| Acrylates Copolymer                             | No Records                    |

---

## **Section 12. Ecological information**

**Ecological information:** Not available

## **Section 13. Disposal considerations**

**Information provided is for unused product only. Recommended method of disposal:**

Dispose of according to P.R.C, province and local governmental regulations

**ECE hazardous waste number:** Not a RCRA hazardous waste

## **Section 14. Transport information**

**The shipping classifications in this section are for non-bulk packaging only (unless otherwise specified). Shipping classification may be different for bulk packaging**

**P.R.C Department of Transportation Ground:**

**Proper shipping name:** Unrestricted

**Hazard class or division:** None

**Identification number:** None

**Packing group:** None

**International Air Transportation(ICA/O/IATA):**

**Proper shipping name:** Unrestricted

**Hazard class or division:** None

**Identification number:** None

**Packing group:** None

**Water Transportation(IMO/MDG):**

**Proper shipping name:** Unrestricted

**Hazard class or division:** None

**Identification number:** None

**Packing group:** None

**Marine pollutant:** None

## **Section 15. Regulatory information**

**P.R.C Regulatory information**

All components are listed or are exempt from listing on the Toxic Substances Control Act Inventory.

## **Section 16. Other information**

**Disclaimer:** The data contained herein are furnished for information only and are believed to be reliable. However, Aviva Progel does not assume responsibility for any results obtained by persons over whose methods Aviva Progel has no control. It is the user's responsibility to determine the suitability of Aviva Progel products or any production methods mentioned herein for a particular purpose, and to adopt such precautions as may be advisable for the protection of property and persons against any hazards that may be involved in the handling and use of any of Aviva Progel

---

products. In light of the foregoing, Aviva Professionals Ltd specifically disclaims all warranties, express or implied, including warranties of merchant-ability and fitness for a particular purpose, arising from sale or use of Aviva Progel products Aviva Professionals Ltd further disclaims any liability for consequential or incidental damages of any kind, including lost profits.
